

# EVENT DETAILS

## WHAT YOU NEED TO KNOW TO PLAN

**CAPACITY** – Our Tasting Room & Brewery can accommodate up to 85 guests with the ability to seat up to 50 at any given time. Should you need more space, we can bring tent, table, and chair rentals onsite to accommodate upwards of 200+ guests. Additional rentals are quoted upon requests.

**TIMING** – Private Events at the brewery utilize the entire Tasting Room, as a result, we only host events outside of our normal operating hours, which are Friday 4-9pm, Saturday 12-6pm, and Sunday 12-5pm.

**FOOD** – We do not have a kitchen onsite, but we do work with a number of local restaurants and caterers who can handle your event. You are also welcome to simply bring in snacks from home, hire a catering service, or anything and everything in between.

**MUSIC** – The Tasting Room is wired for surround sound and guests have access to our commercial-free Pandora 1 account. Let us pick the tunes, or be your own DJ. At this time, we can't host live bands or DJ's that require any additional set-up.

**OUTSIDE ALCOHOL** – Event hosts may bring in outside wine/liquor, however, they must be self-serve (away from the bar) or poured by a third party, licensed/insured bartender.

**OTHER BEVERAGES** – The more the merrier, just make sure you plan to bring ice. We have a number of “drink tubs” at your disposal and we can store bags of ice for up to 24hrs prior to your event.

## GETTING TO HALF FULL BREWERY

**LOCATION** – Set your cruise control for 43 Homestead Avenue, Stamford, CT 06902. You can also take the train or hop a cab. We are less than 1 mile from the Stamford Metro North train station.

**PARKING** – We have a large lot right out front that can accommodate 30 cars. We also have a large municipal lot at the bottom of Homestead Avenue that can accommodate additional cars as well as vans and buses. It’s just a short 5 minute walk to our door.
